Appartement Kaufmann

holiday apartment in Westendorf

You will feel right at home in the Kaufmann apartment. In our newly renovated "Chor Apartment," tradition meets modernity over approximately 50 m². From the spacious living room with a panoramic window, you can look out at the local mountain, the Choralpe. Thanks to our perfect location on the outskirts of the village, it is quiet, and the village center is just a 20-minute walk away. In winter, the ski bus stop is only 50 meters away, and you can easily reach the Alpenrosenbahn. The entry point to the cross-country ski trail is right in front of the house. In summer, you can start cycling immediately, as the bike path around the Hohe Salve passes by us. See for yourself, as we have not only focused on high-quality furnishings but also on the environmental friendliness of the heating system, thanks to a heat pump combined with a photovoltaic system. You will feel completely comfortable.

right on the bike path · on the hiking path · outskirts of town · quiet location · right at the ski-bus/ hiking-bus/ bus stop · right at the cross-country ski trail
