Christoph Jarosch

Elisabeth:

I saw the mountain panorama of Fieberbrunn on the first day of my life. However, I only really noticed it after living in Vienna for 15 years. All the more I now appreciate the splendor of nature and the silence of the mountains. Long walks in winter and early morning hikes in the mountains in summer give strength for challenging times and clear my head. Reading, learning and loving what you do is very important to me.

Christoph:

Born in Vienna and still "half a Fieberbrunn" - this fact brought me to Fieberbrunn very early on. I also discovered this region as a holiday guest. School time, studies and work kept me in Vienna for a long time until I moved with Elisabeth to her home town in 2008. My teaching activities at the grammar school in St. Johann in Tirol gave me and Elisabeth enough time to plan and implement Seminarium F5.
