## holiday apartment in St. Jakob in Haus

NEW since 2024! The Loder Lodge is located on the ground floor of an attractive new building and was built and furnished with great attention to detail. The location of the Loder Lodge is ideal for nature lovers and outdoor enthusiasts. You have direct access to hiking trails, mountain bike trails and ski areas. Whether you want to explore the picturesque landscape in summer or ski down the slopes in winter, you'll find everything your heart desires here.

A special focus was placed on sustainability during construction and furnishing. Where possible, the equipment was sourced from regional companies that are also committed to sustainable production. In addition, renewable energies such as geothermal and solar energy are used to minimise the ecological footprint. So you can enjoy your holiday to the full without unnecessarily harming the environment.
