

# ON TOUR IN RAINY WEATHER

\* Wonderful bad weather tours are an experience with appropriate rainwear!

## FIEBERBRUNN

### MITTERMOOS ROUND TRIP

MEDIUM  |  |  |  |  | 

From the village centre of Fieberbrunn, take a leisurely stroll along the Achenpromenade (gravel path) to Rosenegg (behind the SPAR Markt car park). At the fork in the road, turn left towards Lehen. From here, take the tarmac road uphill for the first time. At the Hotel Chalets Grosselehen you can watch the fluffy cows; pass there and continue to the next junction. The 'uphill passage' is over and the route continues towards the hamlet of Mittermoos and along the tarmac road into the Gebraweg. Follow this out of the valley, cross the main road at Gasthof Auwirt and return to the village centre via the Achenpromenade.

**Elevation metres: 75 m**

**Total route length: 5 km**

**Total walking time: 1:45 h**

### ACHENPROMENADE

EASY  |  |  |  |  | 

You start in the centre of Fieberbrunn. Follow the Achenpromenade (gravel path) in the direction of St. Johann in Tirol. Past the Lehmgrube football stadium to Rosenegg (behind the SPAR supermarket), continue straight ahead at the junction, past the football pitch. At the next junction, turn left and then immediately right again. You will see horses and donkeys in the meadow. Following the path, you cross a bridge and reach the end of the village of Fieberbrunn. The path continues to St. Johann i.T. - if you feel like it, walk a little further and get on the bus at one of the stops for the return journey to the village centre. Otherwise, simply walk back the same way.

**Elevation metres: 36 m**

**Total route length: 6.0 km**

**Total walking time: 2:00 h**

### MOUNTAIN RAILWAY - CAMPSITE CIRCUIT

EASY  |  |  |  |  | 

Start at the valley station of the mountain railway. Follow the path towards the Hotel TUI Blue Fieberbrunn, walk along a gravel path past the campsite and turn left at a farm onto the tarmac road. Follow this road to the junction at the access road to the mountain railway. You return to the starting point via the car park. A detour to the Bodenhof farm with its cows, llamas and goats is definitely worthwhile.

**Elevation metres: 36 m**

**Total route length: 2.0 km**

**Total walking time: 0.40 h**

### OBERMAIR - GRUBERAU / ENTERPFARR - ACHENPROMENADE

EASY  |  |  |  |  | 

Behind the Gasthof Obermair (refreshments available), walk along the Schradlbühel (short, steep ascent) and turn left after the subway towards Alte Straße. Following the tarmac road, you can turn left in the Gruberau district and walk through a housing estate towards the Achenpromenade. Follow the path and you will reach Gasthof Obermair again. Alternatively, you can also take the bus from Gruberau back to the town centre. (BASS BASKET REQUIRED ON THE BUS)

**Elevation metres: 47 m**

**Total route length: 2.0 km**

**Total walking time: 0.40 h**

**ALTERNATIVELY,****EASY** 🐾 | 🐕 | 🌂 | ☀️ | ❄️ | ♿

instead of turning left towards Gruberau, follow the tarmac road towards Enterpfarr. Passing farms and a chapel, you reach another junction (Winkl-Sonnseite). Turn left and cross the main road and walk along the Achenpromenade back to the starting point (or take the bus).

**Elevation metres: 73 m****Total route length: 4.3 km****Total walking time: 1:30 h****LAUCHSEE – SCHWEINESTEN****MEDIUM** 🐾 | 🌂 | ☀️ | ❄️

Startpunkt ist im Dorfzentrum. Man folgt dem Anstieg vor der Kirche und biegt bei der nächsten Gabelung links ab. Geht man weiter, gelangt man zum Lauchsee und dort hält man sich bei der nächsten Gabelung links. Den Weg folgen, vorbei am Lauchsee bis man zu einem Bauernhof gelangt – dort biegt man links ab (Schweinesten) und bei der nächsten Gabelung geht's wieder nach links in Richtung Dorfzentrum.

**Elevation metres: 97 m****Total route length: 3.7 km****Total walking time: 1:20 h****DANDLER – ROTACHE – PFAFFENSCHWENDT– RUNDE****MEDIUM** 🐾 | 🐕 | 🌂 | ☀️

From the village center of Fieberbrunn, follow the Achenpromenade (gravel path) towards Gasthof Eiserne Hand, following the road to the left at the underpass, you will pass Gasthof Dandler. After the inn, simply follow the road, here you will discover small water wheels on the left-hand side. Turn left at the next fork and follow the road.

After the Hauser joinery, cross the second bridge and turn left at the Fleckl agricultural machinery company. Follow the path via the Rotache district to the hamlet of Pfaffenschwendt. Turn left at Gasthof Kapelln and walk past farms. Turn right at the railroad underpass and then left along the asphalt road to the Nieding farm. Here you have two options. Either follow the road to the left and after the underpass turn right again via the "old Buchautal" back to Gasthof Dandler and on to the center of Fieberbrunn. Or keep right at the Nieding farm and follow the Buchensteinwand circular trail to Fieberbrunn.

**Elevation metres: 147 m****Total route length: 8.8 km****Total walking time: 3:00 h****STREUBÖDEN ÜBER SCHWEINESTBERG****DIFFICULT** 🐾 | 🌂 | ☀️ | ❄️

Start at the Fieberbrunn Lindau cable car and follow the hiking trail next to the bike trail past the small farm store at the Obinghof farm. Continue along the field path to the "Schweinesten" district. Here you turn left onto the forest path. Climbing steadily uphill through the forest, you reach the beautifully situated Streuböden reservoir. Continue over the dam to reach Timoks Wilde Welt and the Streuböden middle station. Return via the same route.

**Elevation gain: 370 m****Total route length: 4.5 km****Total walking time: 1:50 h****ALTERNATIVELY,****MEDIUM** 🐾 | 🌂 | ☀️

you can take the Zillstattweg trail no. 711 from the Streuböden middle station as a return route, which leads to the Lauchsee lake. Turn right there and follow the path to the Lindau valley station.

**Elevation gain: 466 m****Total route length: 6.5 km****Total walking time: 2:10 h**

## SCHÖNAU PERTRACH – SCHLOSSBERG – ROSENEGG

MEDIUM  |  |  |  |  | 

The starting point is the village center/tourist office in Fieberbrunn. Cross the bridge, turn right and go straight ahead, turn left at the next junction and follow the steeply ascending asphalt road. Turn left at the next fork, past farms along the gravel path. You then reach the first underpass, keep right and follow the path to the next fork. Turn left and head steeply downhill to the Schlosshotel Rosenegg, which you pass on the left. You can stop for refreshments at Café Roseneck or Brotkultur. Then turn left along the Achenpromenade back towards the town center.

Elevation gain: 85 m

Total route length: 4.3 km

Total walking time: 1:30 h

## SCHREIENDE BRUNNEN - PULVERMACHER ALMHÜTTE

EASY  |  |  |  |  | 

From the Gasthof Eiserne Hand (refreshments available), walk right along the Schwarzarche into the Hörndlinger Graben (note: the path leads through a tunnel). You reach the small “Schreienden Brunnen” waterfalls about halfway along. The tour continues slightly uphill to the cozy Pulvermacher Almhütte refreshment stop.

Elevation gain: 200 m

Total route length: 4.5 km

Total walking time: 1:30 h

# HOCHFILZEN

## GRIESSNER HOCHMOOR

EASY  |  |  |  | 

A hike to the romantic Grießensee leads from the village center eastwards to the railroad underpass. From there to the magnesite works and on to Regio Tech. From here, the trail runs to the right along the cycle/hiking trail to Leogang, past reed beds to the birdwatching tower right by the lake. Countless bird species breed on the Grießner Hochmoor and can be observed from the tower.

Elevation gain: 27 m

Total route length: 5.0 km

Total walking time: 1:40 h

## HOAMETZL ROUND

MEDIUM  |  |  | 

The starting point is the lift parking lot in Hochfilzen (Liftweg 5). From there, hike uphill on the Tennweg towards Hoametzl Hütte. From the turn-off to Ferienhof Obertenn, continue along the Kammerbergweg (fine gravel forest path). Follow this path steadily uphill to the Hoametzl Hütte (refreshment stop, large children's playground with wooden ball track, Steinbergkönig station and biathlon world championship trail station). The same route takes you back down to the valley.

Elevation gain: 219 m

Total route length: 6.2 km

Total walking time: 2:10 h

## ALTERNATIV

MEDIUM  |  |  | 

Simply continue along the Kammerbergweg via the Hörlalm to the Oberbödenalm. There you reach another station on the Biathlon World Championship trail. Continue downhill to the Oberbödenhof and from there walk along the asphalt road back into the valley. Once in the valley, turn left directly to the Wiesensee lake. Return to the lift parking lot via the Biathlon World Championship trail (gravel path) in the direction of Hochfilzen.

Elevation gain: 293 m

Total route length: 10.4 km

Total walking time: 3:50 h

### CIRCULAR ROUTE BUCHENSTEINWAND

MEDIUM  |  |  |  | 

At the Glaagut in Warming, follow the Tennweg. Turn left after the bridge. The Buchensteinwand circular trail leads directly to Fieberbrunn, St. Jakob in Haus, St. Ulrich am Pillersee and Hochfilzen. The entire route is approx. 20 km long. There are numerous bus stops where you can end the hike. The return journey by bus is included in the guest card!

Elevation gain: 290 m

Total route length: 19.8 km

Total walking time: 6:40 h

### RÖMERSATTEL

EASY  |  | 

At the military training area, follow the path to the Römersattel through the beautiful high valley. Past the Haflinger stud farm to the hunting lodge and the small pond. Return the same way.

Elevation gain: 142 m

Total route length: 6.0 km

Total walking time: 2:00 h

## ST. JAKOB IN HAUS

### VILLAGE TO THE PILLERSEE MOUNTAIN RAILROAD

EASY  |  |  |  |  | 

Starting point in the village from the parking lot at the elementary school. Walk towards the sports field. At the sports field, take the sports field path to the left in the direction of the Buchensteinwand cable car. Walk past the Hotel Kitzspitz to the Buchensteinwand valley station of the Pillersee cable car and return the same way.

Elevation gain: 11 m

Total route length: 2.0 km

Total walking time: 0.40 h

### SAHAT ROUND

EASY  |  |  |  |  | 

Start in the village from the parking lot at the elementary school. Continue towards the church and into Pfarrgasse. Along the Jakobweg or Besinnungsweg (there is a cozy rest area with a playground at the cyclists' rest stop) to the Sahat Chapel. Turn left there and follow the Filzenweg and main road to the Familienland parking lot. Here turn left into Bodenfeldweg and after a short climb turn right along Pfarrgasse to the center.

Elevation gain: 35 m

Total route length: 2.9 km

Total walking time: 1.00 h

### MÜHLAURound

MEDIUM  |  |  |  | 

From the village, continue along Pfarrgasse until you reach the cyclists' rest stop (rest area with a great playground), then turn left until you reach the road, which you cross. After a slight bend to the right, continue straight ahead along the district of Mühlau. Now follow the gravel road uphill and then turn left onto the Buchenstein cycle path. Follow the path until you reach a fork towards the village and turn left here. The path leads downhill and you reach the sports field. Turn left here to reach the village center.

Elevation gain: 106 m

Total route length: 4.4 km

Total walking time: 1.30 h

## ST.ULRICH AM PILLERSEE

### VILLAGE ROUND

EASY  |  |  |  |  | 

You start in the center of Ortisei. After the Seewirt inn, turn right over the bridge and walk over Wieben, past the chapel. After the bridge, turn left and follow the cycle path along the Grieselbach stream. Cross the main road and continue to the soccer pitch. Here you turn left into Dorfstraße and return to the town center.

Elevation gain: 15 m

Total route length: 4.0 km

Total walking time: 1:20 h

### PILLERSEE – ROUND

EASY  |  |  |  |  | 

The starting point is the parking lot in the village. From here, turn left and follow the right-hand side of the lake to the kiosk (refreshments available). Return the same way.

Elevation gain: 8 m

Total route length: 4.4 km

Total walking time: 1:30 h

### WEILER ROUND

EASY  |  |  |  |  | 

The starting point is the parking lot in the village. At the sports field, immediately turn right upstream along the Grieselbach and follow the hiking trail. At the next bridge, turn left towards Neuwieben, cross the bridge and after Neuwieben turn off towards Weißleiten and the hamlet of Au to get to the Strasserwirt. From Strass, take the cycle/hiking trail (there is a nice rest stop opposite the Strasserwirt, the "Grieselbachmühle", where you can also fill up with water) back to the village center of Ortisei.

Elevation gain: 60 m

Total route length: 7.2 km

Total walking time: 2:30 h

### FLECKENROUND

EASY  |  |  |  |  | 

From the Buchensteinwand parking lot, turn left behind Intersport Günther along the path to the Flecken district with its beautiful old farms and chapels and then follow the asphalt road to the next crossroads. Where the Rossau road begins. Turn left there and walk back to the starting point along the cycle path. Tip: There is a birdwatching tower on the way back

Elevation gain: 23 m

Total route length: 2.9 km

Total walking time: 1:00 h

## Waidring

### HAUSGASSE/ENTHGRIESS

EASY  |  |  |  | 

From the village, walk in the direction of the Brandtner distillery. From there, turn left onto the meadow path to the beautiful Blachholz chapel and continue along the path to the Genussladen Seibl (refreshments available). Return via the cycle path back to the starting point.

Elevation gain: 45 m

Total route length: 7.2 km

Total walking time: 2:20 h

### AUERGASSE

EASY  |  |  |  | 

Walk from the village center towards the gondola lift. Tip: A visit to the Glockendorf Tirol is worthwhile. Continue along the path via the hamlet of Rettenmoos/Schredergasse to the cycle path and follow it to Auergasse. Cross the main road and follow the forest road leisurely through the forest on the edge of the Hausberg to Pillerseestraße. At the end of the path, keep left to get back to the village center.

Elevation gain: 97 m

Total route length: 4.3 km

Total walking time: 1:30 h

### WEISSBACHSCHLUCHTROUND

DIFFICULT  |  |  | 

At the starting point "Weißbach parking lot", take the gravel road on the right. Follow this road through the beautiful Weißbach gorge until you reach a bridge, which you then cross. At the next junction at the cozy Kohlstatt - Leitstallen rest area, turn left and follow the path to the Rechensau Chapel. Keep left again here and follow the road to the Alpengasthof Oberweissbach (refreshments available) and back down to the starting point.

Elevation gain: 220 m

Total route length: 6.5 km

Total walking time: 3:10 h

### SCHWIMMBADROUND

EASY  |  |  |  |  | 

From the village center, pass the Steinplatte gondola lift and continue right at the underpass to Rettenmoos. Keep right at the fork and follow the forest path to the bridge. After the bridge, walk right along the dam and along the Elmbachbachweg. At the road, follow the path towards the swimming pool. Continue along the Achenweg and Pillerseestraße back to the village center. Note: This loop can be shortened via Hintergasse.

Elevation gain: 36 m

Total route length: 4.0 km

Total walking time: 1:20 h

### SCHÄFERAU

EASY  |  |  | 

From the village in the direction of Pillersee, follow the Achenweg (left) to the small waterfall. There you walk to the right along the path next to the dam to the end of the path. Follow the asphalt road uphill for a short distance to the "Schöttlbrücke" bridge. Then take the gravel path on the left - with a picturesque view of the Steinplatte - to the Schäferau Chapel (quiet rest area). From there, walk on to the Seisenbach spring Kneipp facility and via the Unterwasser district back to the village.

Elevation gain: 50 m

Total route length: 6.5 km

Total walking time: 2:10 h

### DURCHKASERALM

EASY  |  |  | 

Drive up to the Steinplatte by car (via the toll road, subject to charge). From the Steinplatte parking lot, walk left along the forest path to the Durchkaseralm. Return the same way. Tip: The forest playground of the alpine nature trail at the fork in the path invites you to linger. The fire hut is not far away.

Elevation gain: 102 m

Total route length: 3.4 km

Total walking time: 1:20 h

**STALLENALM – WINKELMOOSALM – SCHWARZLOFERALM – MÖSERALM****SCHWER**

Ascent with the gondola lift in Waidring. The tour starts at the Steinplatte gondola lift and leads past the rustic Stallenalm (refreshments available) to the Steinplatte mountain road. From here, continue through the beautiful landscape towards the Schwarzloferalm and via the Möseralm back to the Steinplatte mountain station. Tip: A detour to the Triassic Park with dinosaurs, stalactite cave and much more is well worthwhile!

**Elevation gain: 402 m****Total route length: 8.8 km****Total walking time: 3:30 h****SAGENWAY****EASY**

The starting point is the Hausberglift (behind the village). From here, take the field path a little steeply uphill to the “Dorfgrille” (legend trail station). Then follow the signs and hike through the forest, past the legend trail stations to the Oberweißbach parking lot. Cross the main road and turn left along the gravel path. Next to the Ache river, you pass a small waterfall until you reach the Alte Hackerschmiede mill. Then walk through the housing estate, cross the road and take the next fork to the left (opposite the SPAR supermarket), cross the houses on Elmbachweg and reach the dam. You pass the remaining legend trail stations and follow the signs until you reach Hintergasse and return to the starting point.

**Elevation gain: 70 m****Total route length: 5.0 km****Total walking time: 1:40 h**

Suitable for pushchairs (asphalt, fine gravel) | Possible in the rain | Suitable in summer | Suitable in winter | Suitable for wheelchair (asphalt, fine gravel) Dogs allowed on a lead (LEASH AND CLEAN UP AFTER YOUR DOG)
